

PURELUXE[®]
GREAT TASTING FOOD YOU CAN *TRUST*

APRIL 28 2022

Dear Customers,

Thank you very much for choosing PURELUXE pet food.

As you know we are not able to export from the USA, so we decided to work with a high-quality manufacturer in Russia. We have done a lot of investigation for the localization of production and we are 100% assured that the feed is produced under our quality control and recipes.

At the same time, the production of feed also means printing huge quantities of packaging, which will take several months. To speed up production we had to use the bags we had in our current inventory. These bags are printed "Made in the USA". Please be understanding during this time frame and consider the inscription in Russian "Made in Russia" as a priority.

Purchase with confidence PURELUXE pet foods - Elite nutrition for your pets.

Sincerely,

Jeremiah Davis
